Tenth Biennial Legislative Reception

Thursday, January 9, 2025, 6:30-8:30pm

at the home of Dr. Pradeep and Rushmi Kumar

The TCMA, along with the TCMS, is planning the Tenth Biennial Legislative Reception honoring our 17 Central Texas legislators. From its inception 20 years ago, this event - held every other year at the start of the legislative sessions - has received accolades from both the TMAA and Texas legislators. Its goal is to kick-off the 89th Legislative Session on a positive note. Alliance Board members and Capitol Watch Committee members are asked to attend. Alliance members with an interest in advocacy and First Tuesdays are also invited. You can even support the event behind the scene by donating food, beverages and a floral centerpiece.

For more information, please contact event chair Julie Cowan:

jscowan@aol.com or 512-659-8593.

The Texas Legislature meets every odd-numbered year for 140 consecutive days and will convene again Jan. 14, 2025. Legislators need to hear from you – their physician, medical student, and alliance constituents – during the session to understand how proposed legislation can potentially impact the practice of medicine in Texas.

Mark your calendar for 2025 First Tuesdays at the Capitol.

- **February 4**
- **March 4 (TMA Alliance and Young Physician Month)**
- **April 1 (TMA Medical Student and Resident Month)**
- **May 6**
